The video is also used to stream live images of the children to parents and other authorized users of the web cam system so that authorized users may view daily activities of their child(ren) which would otherwise be missed.

In addition, Candyland Child Development Center parents, staff, and administration may periodically video and audio tape (via web-based cameras and other electronic devices) and/or photograph children as part of their day to day activities, parties, assessments, etc., therefore a video, audio, photo release for a child attending the Candyland CDC is a condition of enrollment.
