“Smarties”

In the new year we will be learning about Nursery Rhymes, Traditional Tales, Fair Tales and Ballads, Folktales, and Fables. Breaking each one down weekly. We will start the month out with Nursery Rhymes. This week we will learn about the different Nursery Rhymes and learn some new nursery rhymes.

Week two we jump into Traditional Tales, this week we will learn about tales such as “Little Red”, “Little Red Hen” and “The Gingerbread Boy”. Week Three we dive into Fair Tales. We will learn what a fairy tale is and the difference between a fairy tale and Nursery Rhymes. Week four we end the month with Ballads, Folktales, and Fables. We will learn what each is and the history of all of them.

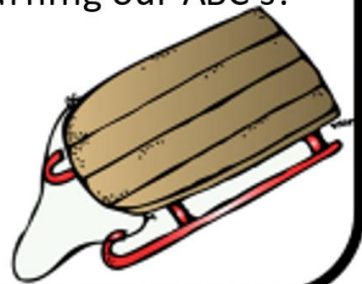

“Lollipops”

Happy New Year! It's been a crazy year with lots of new changes. This month we will be focusing on classroom routines and getting back into the swing of things after the holidays. We've had lots of new friends start and have some new friends coming in our class this month so it's important that we help these friends learn our classroom and our routines.

“Gummy Bears”

This month we are going to be learning about our colors. Since it is a new year we are going to learn new things. Some things I would like to try writing our names, counting to 10 and learning our ABC's.

“Gumdrops”
