

MARCH

"Smarties"

This is my favorite month of the year, why because it is Dr. Seuss's birthday and we all know how much I love Dr. Seuss, we will be learning all about him from when he was born and the book he wrote on a bet. We will also be learning about stories and rhymes, which include Nursery Rhymes, Traditional Tales, Fairy Tales, as well as Ballads, Folktales and Fables.

"Lollipops"

For the month of March, we will focus on family, relatives, pets, and community. We will continue with our shape, color, letter & number of the week and work on tracing.

"Gumdrops"

Happy March! This month we will be learning all about spring, bugs, plants, and the color green. Spring is right around the corner and we hope to spend lots of time outside. I love spending time with your children and watching them blossom!

"Gummy Bears"

This month we will be exploring the letter s for spring! We have fun projects lined for Dr. Seuss week, St. Patrick's day and much more! This month we will focus on our fine motor Skills as well as learning the letters in our name. Be sure to keep a look out for your child's art work and projects this month!
