

# MARCH

## “Lollipops”

Time is flying by this year! We're already into a new month and hopefully some warmer weather!

This month we will be focusing on St. Patrick's Day and our work and crafts will be centered around that theme.

Please keep an eye on the weather as we will be going outside as often as we can! These frigid temperatures have kept us inside for too long, and I would like to enjoy some time outside this month with the kiddos! This may mean playing in the snow, so please ensure your child has appropriate gear for outside! As always, please reach out with any questions you may have!

## “Smarties”

For the month of March we will be learning about Dr. Seuss & St. Patrick's Day. We will also learn about “I Build, I Create” as well as Ballads, Folktales & Fables.

## “Gumdrops”

In the month of March we will be learning about the number 8, the letter X, triangle, and & the color green!

## “Gummy Bears”

We are going to do St. Patrick's Day activities as well as learn about the rainbow & the order of colors. The great time of spring is coming, so we are going to do spring activities as well.
