

April

"Smarties"
 March came in like a lion and out like a lamb, it is how April and springtime. This month is going to be filled with a lot of fun activities from a visit from the Easter Bunny to hatching baby chicken eggs. Look for the calendar that is coming out mapping out what we are going to do this month center wide and in the classroom. We are also going to learn "I Build, I Create."

"Lollipops"
 For the month of April, we will be focusing on our new theme: Color, Shape, & Size. We will be doing lots of Spring themed crafts in preparation for the new Season! Our goal for April will be learning about plants & how they grow.

"Gummy Bears"
 Happy spring! Spring is my favorite season, this month we will explore all things spring! From rain showers and how they help turn everything green again, growing beans and learning about the letter E for Easter. We will also be focusing on learning & identifying different shapes numbers.

"Gumdrops"
 Happy April! This month we will continue to learn about spring. We will also be focusing on the colors pink and purple. With warmer weather coming, we will be spending more time outside. Make sure your children dress appropriately.
