

# November

## class newsletter

### “Smarties”

We will be learning about big & little, different bird calls, and Thanksgiving. Making Christmas decorations & Days of Thankfulness. We will also have started a star student. Ms. Heather and I will choose at the beginning of the day who will be the star student throughout the day we will make comments on how the star student is doing. The children have a chance to earn star student or not to earn star student. Friday's whoever earned a star gets treasure chest.

### “Gum Drops”

We are planning to making a thankful tree! They will have little leaves for anyone to come by and write what you are thankful for and add it to the tree. We will also be making a sensory bucket with corn, leaves, and acorns and a class Turkey that the children will decorate.

### “Gummy Bears” & “Lollipops”

This month we will be going over the letter “N” for November, fall, weather changes and families. We have a lot of fun fall themed projects planned.

Candyland Child Development Center will be **closed** Thursday, **November 26<sup>th</sup>** in observance of **Thanksgiving**.
