

# November

## class newsletter

### “Smarties”

This month is my favorite month because we are learning about science which is learning about Giants this month and being Thankful for the things, we have such as families, friends, etc. Our Giant theme is focused on Week one of big and little here we will learn the difference between being big and being little by sorting different objects in the room as we do center time. Week two we will move onto learning about nature giants and how the earth made them. Week three we move onto learning about Giants made by people such as Mt. Rushmore. The fourth week we will tie everything together with make believe Giants. By the end of this month your child will be able to compare different objects and their sizes.

### “Lollipops”

This month we will continue practicing tracing our names, our ABC's, and counting to 15! We will spend some time learning about the season and holidays of the month. We will also continue to practice using our words with our friends and learning independence with putting our coats and shoes on, using the potty, and washing our hands! We encourage all families to bring in a picture to hang up on our wall! Also, as the seasons change please remember to dress children according to weather!

### “Gummy Bears”

Happy November! October was a sweet month as we celebrated Halloween! As we enter the month we will continue to explore fall colors as well as what we harvest like corn. We will focus on the letter T for thanksgiving and the color brown! We have so many fun projects as well as a couple food projects in store! As we get to the end of the month we will begin our thanksgiving projects and go over the meaning of thanksgivings through books and songs. As a reminder parents please dress your child accordingly and bring them warm coats and hats as we do still go outside. Happy Thanksgivings from the GummyBears.

### “Gum Drops”

Happy Fall Ya'll! For the month of November, we will be learning about Autumn/Thanksgiving! Our number will be "3" and our letter will be "C!" Candyland Child Development Center will be **closed Thursday, November 25<sup>th</sup>** in observance of **Thanksgiving**
