

December

"Smarties"

We are learning about Christmas around the world, I believe doing this gives the children the knowledge that there is more to Christmas than gifts. We will start week one with Make Choices. The second week, Healthy Choice. The third week we will learn about Heathy Habits. The final week we will learn about Problem Solving. For the store this month I am going to buy toys for the children instead I am going to buy things for the family such as; board games, outside family activities, A night at the movies. I hope this Christmas season finds everyone well and happy.

"Lollipops"

Hello everyone! As many of you have seen, Miss Kyla is back from maternity leave! I am so excited to get back into the classroom and continue with your child's development into the new year! We are also updating our family board with pictures of your child's family. As always, if you have any questions, please feel free to reach out to Miss Lillia!

"Gum Drops" & "Gummy Bears"

This year has come and gone in a blink of an eye! December's theme is Christmas. This month, the Gum Drops will be saying goodbye to Ms. Madi. Her and her husband are moving to SC in January. We will miss her very much but are also excited for them to start their new adventure together!

Candyland Child Development Center

will be **Closed December 25th** in observance of Christmas Day!! Please remember to send winter coats, boots hats, and gloves with your child so that we can go outside.
